

## The Progressive Catholic Church International

We the members of the Progressive Catholic Church International, congratulate Bernd Wallet on his consecration and installation as the new Archbishop of Utrecht. Although not part of the Union of Utrecht, we consider ourselves to be "Old Catholics" in that we also hold fast to the beliefs and practices of the early undivided Church, and yet making room for the Holy Spirit to work with the church today. The Progressive Catholic Church, much like the Churches within the Union, is also governed by an Episcopal-Synodical structure. Today, we rejoice with other "Old Catholics" throughout the world, as the Union receives her new Archbishop.

We ask God to bless our dear brother and those of the union, as they start this new chapter together.

Gratia, Pax, Amor, Lux et Multae Benedictiones

חסד, שלום, אהבה, אור והרבה ברכות

Genade, vrede, liefde, licht en veel zegeningen
